## LAGUNA PIT BULLS GROUP VOLUNTEER PROGRAM

### Group or Company Volunteer Opportunities

Thank you for your interest in bringing your business or community organization to the Laguna Pit Bulls Rescue Center to volunteer. Besides our LPB Volunteer Program (please see separate document), we usually enlist groups to help with grounds maintenance tasks such as:

- Helping with small building projects.
- Weeding.
- Painting.
- Doggy Bath Day.

#### Group guidelines

If your group is interested:

- Your group should consist of at least five people.
- Any children in the group should be at least 12 years old. (Please give advance notice if there will be anyone under 18 coming to help.)
- Please commit to volunteering at least three hours to make it worth the time and effort it takes to coordinate a group activity.
- Most, if not all, volunteer work is done outside, rain or shine.
- Group volunteer projects can take place any day of the week. Time scheduling will be based on the activity set for your group.
- Please make arrangements at least two weeks in advance of the date you are requesting. Keep in mind that not all dates will be available.
